Online Remuneration Management Systems

MHR Global is the provider of a number of leading edge online Remuneration Management systems:

- MHR Remuneration Service (previously “CubikSurvey™”)
 - online remuneration survey providing easy access to market remuneration data for a wide range of benchmark role
- JE Leader On-line™
 - innovative and easy to use on-line job evaluation system, which has been developed to provide an easy to use platform, for both standard and fully customised job evaluation solutions.
- Appraisal-Smart™
 - cost effective and efficient online Performance Management system, which significantly reduces the burden of implementing and administering Performance Management processes

Contact your nearest office of MHR Global Ltd if you are looking for cost effective and efficient online Rewards Management solutions.

Our online solutions are also available from authorised distributors outside of our own locations in the United Kingdom and New Zealand.
